Note

There will be residents in this country who are counted as "born abroad" and / or "foreign nationality" because they were born or are descended from residents in other republics of the former USSR before it was divided in 1991. Therefore, reading the corresponding values should be made considering this geopolitical change to the detriment of immigration, since before 1991 the former USSR included 15 independent republics: Armenia, Azerbaijan, Belarus, Kazakhstan, Estonia, Georgia, Kyrgyzstan, Latvia, Lithuania, Moldova, Russia, Tajikistan, Turkmenistan, Ukraine and Uzbekistan.

The data from 2000, 2005 and 2010 were revised by the UN and amended by OEm on 23/11/2022.
