

## Slight decrease in Portuguese emigration to Luxembourg in 2024

2025-05-13

According to data from the Portail des Statistiques du Luxembourg, 3,469 Portuguese entered the country in 2024. The statistical office accounted for a total of 25,725 entries of foreigners into Luxembourg territory, with the Portuguese accounting for 13.5% of this total. +

After what appeared to be a trend toward stabilization in the number of Portuguese entering Luxembourg in 2023, Portuguese emigration to the country experienced a slight decrease in 2024 (-4.6%). This decline mirrors the overall decrease in total emigration to Luxembourg, which also fell by 4.6%. Between 2000 and 2024, the number of Portuguese inflows into Luxembourg was minimal in 2000 (2.193 entries) and maximum in 2012 (5.193 entries). The loss of relative importance of Portuguese immigration in Luxembourg continues to increase: between 2003 and 2024, the number of Portuguese inflows into Luxembourg went from over 29% of the total number of foreign migrants to 14%.
