

## More than 11,000 Portuguese emigrated to Spain in 2022

2023-12-20

There were 11,001 Portuguese who entered Spain in 2022, according to data from the National Institute of Statistics. This Spanish agency accounted for a total of 1,258,894 foreigners entering Spain, with the Portuguese accounting for 0.9% of this total. +

The downward trend since 2019 was interrupted in 2021, when the number of Portuguese entering Spain rose again (70.1%), and in 2022 there was a slight decline (-0.1%). This figure seems to signal a trend towards stabilisation in the number of Portuguese entering Spanish territory. Over the time series under analysis, Portuguese emigration to Spain had a minimum value in 2000 (2,955 entries) and a maximum value in 2007 (27,178 entries).
