

Portuguese emigration to Luxembourg stabilises in 2023

2024-04-30

According to data from the Portail des Statistiques du Luxembourg, 3,638 Portuguese entered the country in 2023. The statistical office accounted for a total of 26,964 entries of foreigners into Luxembourg territory, with the Portuguese accounting for 13.5% of this total. +

After an increase in the number of Portuguese entering Luxembourg in 2021 and a decrease in 2022 (-6.5 per cent), there was a small increase in 2023 (0.1 per cent). This value seems to herald a trend towards stabilisation in the number of Portuguese entering Luxembourg territory. Between 2000 and 2023, the number of Portuguese inflows into Luxembourg was minimal in 2000 (2.193 entries) and maximum in 2012 (5.193 entries). Despite the small increase in 2023, the loss of relative importance of Portuguese immigration in Luxembourg continues to increase: between 2003 and 2023, the number of Portuguese inflows into Luxembourg went from over 29% of the total number of foreign migrants to 14%.
